“Krushevo and Elbasan – Journey in Nature and Adventure” at the FAI World Junior Paragliding Championship – “Krushevo 2026” 🇲🇰

Yesterday, Krushevo became a meeting point for adventure, tourism and cross-border cooperation!

On 24 August 2026, Tjetër Vizion and Deputy Mayor of Elbasan Municipality took part in the Promotional Event of the project “Krushevo and Elbasan – Journey in Nature and Adventure”, held in connection with the Official Opening of the Competition Programme of the FAI World Junior Paragliding Championship – “Krushevo 2026”, at the Paragliding Centre, Meckin Kamen, Krushevo.

The event brought together international delegations, institutional representatives, project partners and pilots in a dynamic programme combining project promotion, “Taste Krushevo”, networking and the excitement of paragliding flights.

A special highlight was the visit to the newly constructed “Crn Vrv” paragliding take-off site, developed with European Union funding through the KET-J project, where professional pilots performed the first demonstration flight.

An inspiring experience showcasing the remarkable potential of Krushevo and Elbasan for active and sustainable tourism, and demonstrating how cross-border cooperation can turn natural assets into real opportunities for local development.

The project is funded by the European Union under the Cross-Border Cooperation Programme North Macedonia–Albania. 

One of the two new projects is **“Krushevo and Elbasan, Journey in Nature and Adventure” (KET-J)**, which will contribute to the development of sustainable and adventure tourism and strengthen cross-border cooperation between Krushevo and Elbasan.
